Hey Amy,

So sorry for my lack of response. We got a big FOIA in for this project and that has taken my attention away from the more critical work of working on this package, I'm afraid. As a result, it still is not to the point where I think it should be if we were going to send it out of the building.

Amy –

We're working on it right now. Will be happy to share when it's ready. What's your time frame?
